*September 4, 2009*

## **NEWS OF THE WEEK**

*This week we continued learning about the rules in school. We made a book to help remind us of the rules. Also, it was teddy bear week! We had a teddy bear sleepover Thursday night. Ask your child what their bear did during the sleepover! Your children have also been working on writing their names in cursive! In Math, we learned about sorting. We sorted objects for school, ourselves, and gummy bears. Next week, we are going to begin learning about the letter m and the sound it makes. Also, we*

*are going to learn how to produce it in cursive. In math, we are going to begin learning about circles.*

## **CLASS NOTES**

*Please work with your child on how to sit quietly in their seat and raise their hand. Also, please help remind them that they cannot talk*

*when the teacher is talking.  
Thanks!*

*Don't forget to send in a snack  
with your child each day. Also,  
please only send one snack per  
day. The students already have  
their water bottles, so they do not  
need a drink for snack time!*

*Library books are due by  
Wednesday!*

*If you think your child may have  
an accident at school, please send  
in extra clothes that we can keep  
here!*

### **PRACTICING and LEARNING**

*Please remember to check your  
child's folder daily for  
assignments, news and daily  
projects.*

### **COLOR CHANGES**

*We are continuing to work on  
following all of our classroom and  
playground rules. If your child  
does receive a color change a  
note will be sent home explaining  
what happened. Remember to  
discuss this note with your child,  
sign and return it the next school*

*day. Also, ensure they understand  
that everyone makes mistakes  
and tomorrow is a new "green"  
day.*
